MOTHER'S DAY OUT SPOTLIGHT

This school year has been flying by! All your little ones are growing and becoming so confident in themselves! This month we would like to spotlight the littles in the Nursery. Last August, their ages ranged from three months to seven months... totally dependent on Ms. Christine and Ms. Francis. And look at them now! All of them will be turning one before the end of May. They are crawling, scooting, pulling up, and eating finger foods... what a blessing to see these little ones grow!
